

Flying Vs Cowl

by Lee Meredith

This is a **stranded colorwork** cowl using **four colors** of **worsted weight** tweed yarn.

Two sizes are included (single loop and double loop circumferences).

It is knit in the round, holding two colors per round.

Stitch pattern is written and charted.

Increases and decreases create the chevrons.

Yarn Requirements:

Uses 4 skeins of *Wool of the Andes Tweed*,
1 skein each color.

Swatch is in: North Pole Heather, Dill Heather, Cottage Heather, and Down Heather; for yarn support my first choice would be: Square Dance Heather, Picket Fence Heather, Sea Glass Heather, and Lighthouse Heather.

Alternative yarn option: could use *Provincial Tweed* instead, in Cream, Pumpkin Pie, Lake Shore, and Caramel (1 hank each color).

Pattern selling price: \$5.99.
